MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Director of Central Intelligence
SUBJECT: Vulnerabilities of the Soviet Economy

1. Do you think we could develop this into something that would be worth offering to Tom Reed in his quest for new approaches to dealing with the Soviet military superiority?

2. Do you have someone who could take a look at the two sentences circled on page 7 and figure out what it would take to indemnify for the loss of the Soviet grain market?

William J. Casey
